

New Political Religions (Review)

The Pneumopathology of Modern Terrorism

New Political Religions, or An Analysis of Modern Terrorism, Barry Cooper (University of Missouri Press, 2004; 242 pp)

Of the many good books that have been released in recent years on the so-called war on terrorism, I've discovered helpful analyses ranging from technique to strategy to ideology to religion. Cooper's insightful book on the pneumopathology of modern terrorism helped me to see even more clearly.
